Datum September 7th ,2020 Uw brief van Uw kenmerk

Dear <Sir/Madam>,

We kindly invite you to fill out the Liveability and Safety survey of the municipality of Groningen.

The municipality of Groningen would like to know how you feel about your neighbourhood or village. Do you feel safe? Is your neighbourhood clean? Is it easy to meet other people? Are there sufficient sports and play facilities? By means of the liveability survey, every two years the municipality of Groningen investigates how inhabitants feel about their own neighbourhood or village. We use the results of this survey to make ew plans for the neighbourhoods and villages in the municipality.

How to fill out the survey?

1. Please go to the website www.buurtvragen.nl and enter the following code <inlogcode>
2. Please answer the questions. It will take up approximately 20 minutes of your time.

Do you need help to fill out the survey?

Please contact WIJ Groningen (www.wij.groningen.nl) or go to a Forum library near you. They have computers and can help you to fill out the questionnaire.

Swimming or skating for free!

Please fill out the survey as soon as possible. By doing so you may win a voucher to go swimming or skating for free, either in one of our swimming pools or at the ice skating rink at Sportcentrum Kardinge.

Any questions?

If you have any questions about this survey please do not hesitate to contact us phone: 14 050. Or you can send an email to: buurtvragen@groningen.nl.

What happens to your answers?

Your answers will be used for the liveability survey only, without any of your personal details. A summary of the results will be published in the Spring of 2021 on the municipal page 'NIEUWS' in the following papers: the Groninger Gezinsbode, the Noorderkrant and the Harener Weekblad, as well as in the digital area newsletters distributed by the municipality of Groningen.

In 2018 more than 10,000 people filled out the questionnaire. Will you join in too?

Thank you in advance.

Yours sincerely,

Koen Schuiling, Mayor of Groningen
